MEMORANDUM FOR: Mr. Scott Breckinridge  
Principal Coordinator/HSCA

VIA : Mr. Russell Holmes  
O/EXO/CI

FROM : Raymond A. Warren  
Chief, Latin America Division

SUBJECT : Yuriy Ivanovich MOSKALEV

1. Attached is a file folder titled "Yuri" which contains informal and preliminary research based on a theory that Yuriy Ivanovich MOSKALEV might be identifiable with the "unidentified man" observed entering and departing the Soviet Embassy in Mexico City, Mexico, in October 1963. Ms. Christine Hopkins undertook to research the theory that MOSKALEV might be the unidentified man as a result of the indepth study she conducted as the Task Force Leader of this Division's efforts to determine if there could have been Cuban complicity in the John F. Kennedy assassination.

2. Although the material contained in the attached folder is entirely theoretical and does not constitute an official file or position of this Division or Agency it may be of interest to Mr. Blakey and Mr. Cornwell of the HSCA.

3. It is requested that you review the material contained in the file folder and, if you consider it appropriate, make the material available for Messrs. Blakey and Cornwell to review with the understanding that it is a theoretical unofficial research undertaking.

  
Raymond A. Warren
