CIA HISTORICAL REVIEW PROGRAM  
RELEASE IN FULL 1998

5 March 1964

Dick:

We have a problem here for your determination,

This is responsive to paragraph 3 of Rankin's letter (see reference tab). JA does not desire to respond directly to paragraph 2 of that letter which made a levy for our material which had gotten into the hands of the Secret Service since 23 November. We found that, except for three telegrams, all that the Secret Service had was material we had sent to McGeorge Bundy at the White House. Apparently, he had simply passed it to the Secret Service as a matter of internal information.

Unless you feel otherwise, Jim would prefer to wait out the Commission on the matter covered by paragraph 2. If they come back on the point he feels that you, or someone from here, should be prepared to go over to show the Commission the materials rather than pass them to them in copy. Incidentally, none of these items are of new substantive interest. We have either passed the material in substance to the Commission in response to earlier levies, or the items refer to aborted leads, for example, the famous six photographs which were not of Oswald, and the passenger manifest on an airline which also did not pertain to Oswald.

If you desire to take note of the levy in paragraph 2, we would recommend that you indicate in the attached proposed memorandum solely that we will take care of it separately.
